Members of the Board of Education relinquish a great deal of their time and energy to the improvement of our schools. Due to the efforts of these dedicated members, our school system is constantly being revised to further advance the educational opportunities of the schools of our city.

The administrative officials, with Dr. Dana Williams as Superintendent, are charged with the task of carrying out the decisions of the Board of Education. Each of the directors on the staff has a distinctive job in one of the special fields of advancement: Instruction, Business Services, Personnel, Research and Pupil Services, and Athletics and Safety.

W. E. Hall
Principal

This year marks a climax in the physical and student growth for a period of time. You are members of one of the largest high school student bodies of Texas as well as one of the greatest. No high school student body has ever found greater responsibilities, challenges, and opportunities than you; and I would like to commend you on your fine accomplishments of this year. I hope that the experiences you have had in your classes and in your student activities here have been enjoyable and profitable. I hope that as a result of these experiences you have gained a stronger purpose and a greater thirst for knowledge. Congratulations on a most successful year!

It's time to get ready; we're about to leave. Welcome aboard, Great Texan Team. It's time to go out onto the field.

Ray put down the Cardinals in the last 5 seconds of the game as Bobby Brown kicked a field goal before 8,500 excited fans. Bellaire received the ball on the kickoff and in 11 plays the Cardinals were in the end zone. A 52 yard quick kick by the Cardinals set up Bellaire's safety. The safety occurred later when Doug Matthew's punt was blocked and knocked out of the end zone to score two more points for the Cardinals. Ray scored in the fourth quarter with a 95 yard touchdown drive and followed with two conversion points. When Ray received the ball again, the Texans drove to the Cardinal one yard line and set up Brown's field goal. With just 25 seconds to go, Brown's kick was good but was nullified because both teams were offsides. Tension mounted, but Brown's second attempt was good with just five seconds left to give Ray a well-earned victory.

Ray-San Angelo

San Angelo used an erratic pitchout play to hand the Ray Texans their first loss of the season. The action started midway in the second quarter when, after Doug Matthews kicked a 54 yard punt over the goal line, the Bobcats streaked 80 yards in only 8 plays for their first score. Undismayed, the Texans received the ball on a kickoff and drove to the San Angelo two yard line as time ran out in the half. In the third quarter San Angelo intercepted a pass by Ray on the Bobcat 35 yard line and in a few plays was situated on the Ray 8. Ray intercepted a pass but returned the ball three plays later on the Ray 10 because of a fumble, and San Angelo slipped through Ray defenses to score. In the last quarter the Bobcats took the ball from Ray on the Texans' 35 yard line and scored after seven plays to finish up the scoring.

Punts	7-43.4	4-41.5
Fumbles recovered by	1	1

The outstanding factor in the one-sided game between Ray and Spring Branch was the exceptional running ability of the Bear backs. Scoring began midway in the first quarter when Bear quarterback Chris Gilbert swung around left end and picked his way through Ray defenses. The great punting of Doug Matthews was a big factor for Ray, but David Reynolds returned a punt in the second quarter for a sensational touchdown run of 70 yards. After the Bears had the game well in hand, they came back to cinch it. With two minutes left in the game the Bears outmaneuvered all Texan opposition. Despite the score, the Ray defense didn't do badly. Except for the four lightning strikes, Spring Branches' offense had a bad time advancing. Ray's offense, hammered by crucial penalties and a stubborn Spring Branch defense, posed a serious scoring threat twice.

San Antonio's Robert E. Lee Volunteers received the ball on the opening kickoff and ambitiously moved the ball 65 yards in seven plays. San Antonio scored after only 4:03 had been played in the first quarter. Their great start didn't last though, as they only penetrated past the Texans 35 yard line once in the next three quarters. No serious damage was done again until the third quarter when Ray drove 45 yards to score. Lee punted from its 12 yard line with 1:04 left in the game, and the punt carried only to the Lee 32. The Texans drove to the nine yard line and decided to kick a field goal with ten seconds left. Bobby Brown's kick was high and to the left. Lee Volunteer Morgan caught the ball and raced almost unmolested to cross the goal line after a fantastic 95 yard run.

A sparse crowd of about 5,000 watched the Texans battle the Tyler Lions Friday, October 10. The Lions were quick to score with an intercepted pass play in the first quarter. The two clubs battled it out in the center of the field. During the third quarter Coy Reece intercepted a Lion pass and ran it to the Tyler 43, and from there the Texans pushed to the 25 but lost momentum and gave up the ball. Several plays later, Tyler intercepted a pass from Ray and pushed to the Texan 9 yard line. Tyler was penalized 15 yards but on the next play, Tyler completed a pass over the goal line. Shortly afterwards the Lions returned a punt by the Texans for a 70 yard touchdown run. Most of the remainder of the game was spent in an exchange of pass interceptions. Despite the loss, the Ray offense gained more yards from scrimmage than any other team was able to accomplish this season against the number seven-ranked Lions.

The Ray Texans, forgetting any razzle-dazzle stuff, stayed almost totally on the ground in an effort to stage a major upset. The Texans mauled the No. 3 ranked Stingarees but made costly mistakes at critical points. Victoria scored in the first quarter. Ray took the ball and pushed it to the opponent's two yard line, where Victoria took over and, unable to move the ball, punted. This time the Texans drove 42 yards in a touchdown drive that was climaxed by a one yard lunge over the middle. The Stingarees scored once again in the third quarter, but Ray came back to score in defense. Victoria sacked up the game in the fourth quarter, however, in a 57 yard drive that took 14 grinding plays to complete. The Texans fought to the last and had reached the Stingaree 20 yard line when the clock ran out.

Carroll's win, the first over Ray in the history of the school, was a disappointing event as far as Ray was concerned. Carroll scored with 8 minutes gone in the first period and completed their kick for the extra point. Ray took the ball on the kickoff and pushed 67 yards with Mike Blaine and Bruce Turner carrying the ball. Bobby Brown kicked the extra point to tie the score. The second quarter consisted of a busy series of unsuccessful drives by both teams. With only 21 seconds left in the first half, Carroll kicked a field goal from 15 yard line to put the Tigers ahead. The Tigers scored once more in the third quarter, which ended their scoring. Ray, determined to win, hung another score on the board late in the fourth quarter and was situated on the Carroll 25 when the clock ran out.

Once again Ray was the statistics winner, but trailed on the scoreboard. Shortly after play had begun, Ray Texan Jack Esparza broke out on a 12 yard touchdown that was nullified by a penalty. The penalty didn't halt Ray's momentum, however, and later in the first quarter the Texans went over for a touchdown that came on an eight yard pass from Lindsey Green to Bill Ferguson. The Cougars were quick to react and on the next-to-last play of the first quarter scored with a 47 touchdown run. Ray took another temporary lead in the third quarter when Green lofted a towering 29 yard pass to Ferguson in the end zone. The Cougars quickly scored again with a pass play that carried them 80 yards. Filled with determination, the Texans made two more motions of generating another touchdown, but were halted on the Adams 29 and 26.

Intercepted passes and fine running set the stage as the Fighting Texans defeated the Kingsville Brahmas with a score of 29-8. Ray began its sensational scoring streak late in the second quarter on a 77 yard touchdown effort. On the second play of the second half, Coy Reece intercepted a Brahma pass and from there the Texans pushed the ball over. Before the end of the third quarter, the Texans completed a 75 yard drive, featuring a 59 yard end run by Doug Matthews. The score by Kingsville occurred in the third quarter on a pass play. Once again a pass interception set up a Texan touchdown. Steve Luce intercepted a Brahma pass on the Kingsville 23 yard line and three plays later Jackie Jensen went over for the score. The scoring terminated as Scott Jones successfully completed the run for extra points.

The annual competition between Ray and Miller wound up the season for both teams. Midway in the opening period the Bucs put together a 61 yard drive that took 10 plays to negotiate and then completed their conversion points. During the second quarter Miller covered 62 yards in one pass play for the touchdown. Ray started a little action of its own immediately and marched 52 yards to the Miller 1 yard line. The Bucs, attempting to run the ball out, were taken for a two point safety by the Texans. Miller took the kickoff at the beginning of the second half and drove 64 yards for their third touchdown. Ray, untroubled by what had happened, came right back to complete a 65 yard touchdown effort. The Bucs scored again to cinch the game for Miller. Ray wound up scoring midway in the fourth quarter, but time ran out before things could be evened up.

Student Council

The Student Council holds regular meetings.

"Democracy in action," "voice of the student body," and "better citizens today and tomorrow" are phrases which describe some of the goals of the Student Council. Discussions, projects, and activities furnish opportunities for students to receive training and experience in leading and following.

The Student Council sponsors assemblies, the Favorites Dance, student scholarships, campus cleanups, and elections of student body officers, class favorites, and cheerleaders. There is a constant flow of suggestions and ideas from the studen body to the faculty and administration through representative on the Council.

The Student Council also helps community programs such as the Teens Against Polio, Heart Association, T.B., and Kiwanis Clothing Drives.

Members of the A Cappella Choir are chosen through auditions by Mrs. Aurelia Scogin, sponsor. In November, the A Cappella Choir, the Tex-Anns, and the Band gave a combined concert in the Del Mar auditorium of Thomas Cousin's music. In December, there was an annual Christmas Sing, a carolling tour and the Christmas Assembly. In April, the choir and the drama department jointly presented the Broadway Musical, "The Music Man." The Choir sings in choral clinics, PTA programs, and in contests. They also sang for Baccalaureate and graduation.

Danny Mitchell acts as host for a speech tournament.

The main purpose of the National Forensic League is to encourage more students to participate in the speech contests afforded them by their school and community speech leagues. Its secondary purpose is to provide additional contest opportunities for those of its member schools desiring a broader program. Students participate in debate, individual speaking events, and service projects in order to earn preliminary points and to attain higher degrees.

Electronics Club, Chapter 194, is composed of those students actively enrolled in the electronics class, and is affiliated with the Vocational Industrial Club of Texas. The purpose of the club, as set forth in the by-laws, is to build in the vocational student a respect for the dignity of work and worth of man. In order to attain these ends, the club holds regular monthly business meetings for the transaction of regular business. These meetings provide an opportunity for the members to conduct their own meetings under the democratic principles of parliamentary procedure. Programs of the club include films, speakers, and field trips. Another aspect of the club's activities is participation in district and state V.I.C. meetings.

Seniors, Bill Mackie, Mike Dyer, Wendy Bramson, and Susan Morehouse, brush up on their reading skills.

School supplies are sold in the bookstore.

Pam Hill and Pat Noyes help students check out magazines in the library.

Girl workers in the main office learn to operate the switchboard.

Library helpers, Gwen Gibson and Molly Studer, take inventory of the selection of pocketbooks.
